

If the animal is disturbing your animals or property, call Norfolk County to report this animal. You may want to call other resources such as other non-local SPCA Branches, or the local vets to get their opinion of what to do.

Norfolk's Canine Control:
Maple Oak Kennels at 519-586-8008

Keep in mind, there may be a charge for pickup of any unwanted animal.

- ❑ One solution to combat the overpopulation of stray, feral and the "nuisance" animals is to spay and neuter - help solve the problem - keep your cats inside and spay and neuter your pets!

Simcoe and District Humane Society is here to help the animal community when they are sick, injured or distressed.

We receive no funding from government or OSPCA sources. We rely solely on donations made directly to the S.D.H.S. from those of you in our community who donate so generously and we thank you for your assistance.

Simcoe and District Humane Society Information:

Help Us Help
Those Who
Cannot Help
Themselves

Become a
Foster Home!

*The Simcoe and District
Humane Society*

*Needs your
help!*

The Simcoe and District Humane Society assists animals sick, injured or distressed. Each year, the numbers increase, yet we have few foster homes to place them.

Open your heart and home to one or more of our animals in need and enjoy all the love and affection from one of our 4-legged friends!

Become a **Foster Home** for the S.D.H.S. with temporary placements of animals and enjoy all the benefits of owning a pet, without the additional costs of food, litter, and veterinary services.

**For more information
contact:**

**The Simcoe and District
Humane Society**

(519)428-9161

**Specify which types of
animal(s) you would like to
foster, and one of our
coordinators will return
your call.**

Reasons to Foster:

- 🐾 The Simcoe and District Humane Society does not have a shelter for the animals in care.
- 🐾 The Foster Care program is one of our most important programs enabling us to assist those animals in need.
- 🐾 Fostering is a very rewarding experience, shared and enjoyed by everyone in the family.
- 🐾 Foster Families get to enjoy the benefits of sharing their home with a pet without the cost for food and supplies or veterinary care.
- 🐾 Foster Families join a special group of people who enjoy animals and get involved in animal care
