

**Help us Build our Shelter! ~** We are looking forward to having a shelter built in the Spring of 2008. We need help in all areas from the ground up including:

- Lots of clean fill
- Building layout and design plan
- Contractors who can oversee the job
- Construction and finishing of the building
- Lots more!

Perhaps you have the expertise to help in the planning stages or you can donate time or material towards the building of our shelter.

**BECOME A VOLUNTEER!** We need volunteers in both our daily activities and with our special events and projects.

If you are interested in sponsoring any of our functions or are interested in volunteering, please contact the Simcoe and District Humane Society at 519-428-9161

*needs your help!*

**Sponsor our Agent Program, Van and Equipment** ~ our Agent program is once again up and running! Cruelty Investigations are an ongoing function of the SDHS and funding is needed to carry on this mandate.

### **Sponsor a Vehicle for the SDHS**

~ Daily calls dealing with sick and injured animals take our animal care volunteers all over Norfolk. Your name will certainly be noticed as it travels with our volunteers!

### **Sponsor our Animals in Care ~**

Perhaps there is a program within the SDHS that you may be interested in sponsoring such as:

- spay and neuters of adoptable animals of appropriate age
- help with boarding costs of animals when foster homes are full,
- microchipping of adoptable animals
- help with a special animal in care.
- Help with medical costs of our sick and injured furry friends

**Sponsor Public Awareness and Education Programs** ~ the SDHS has 7 brochures available to the public including

1. "What to Do When a Stray Finds You",
2. "Fix 'em for Life" - Spay and Neuter your pets ~ a necessity in Norfolk",
3. "Help us Help those Who Cannot Help Themselves ... Become a foster Home",
4. "Simcoe & District Humane Society Information"
5. "What is Cruelty?"
6. "Pets for Christmas Gift"
7. "How you can help the SDHS"

We would like to continue to present these to the public and include a children's activity booklet to take to the schools.

**Sponsor Low Cost Spay/Neuter Programs** ~ help the SDHS provide a low cost spay/neuter program to those who cannot afford to alter their pet.

**Spaying and neutering is the first step in controlling pet overpopulation!**

### **Please Consider Planned Giving**

There are many ways to make a planned gift, making a difference for the animals now, and beyond your lifetime. For more information please contact us at 519-428-9161

**Hold or Organize Fundraisers** ~ the SDHS needs large fundraisers and someone to organize them! Our Current Fundraising activities include:

1. Garage Sales
2. Paws on the Path Annual Walk-a-thon
3. Tree of Life Campaign
4. Paws-ta Party
5. Easter and Christmas Craft and Bake Sale
6. Community booths at local events

In order for SDHS to continue helping the animals, fundraising goals must jump to a minimum of \$150,000!
